

Add The Look Of Real Glass...

Bullseye Lite Adds Character

Increase the character of your project by incorporating the Georgetown Door Lite® into your design. The Georgetown Door Lite® offers a high gloss edge green appearance that closely resembles the look of real glass. The Georgetown Door Lite® is scratch resistant, has a high light transmission and low haze enhanced weatherability.

- Warranted for 10 years against breakage.
- Meets ANSI standard Z97.1 1984 (R1994) for safety.
- 6"x 8" / 8"x 6" size x 1/2" thick available now.
